Race/Ethnicity Category - The Unz Review

The Brazilian population was formed by the influx of Portuguese settlers and African slaves, mostly Bantu and West African populations (such as the Yoruba, Ewe, and Fanti-Ashanti), into a territory inhabited by various indigenous tribal populations, mainly Tupi, Guarani and Ge In the late 19th and early 20th centuries, in what is known as Great Immigration, new groups arrived, mainly of ...

Race and ethnicity in Brazil - Wikipedia

The sociology of race and ethnic relations is the study of social, political, and economic relations between races and ethnicities at all levels of society. This area encompasses the study of systemic racism, like residential segregation and other complex social processes between different racial and ethnic groups. The sociological analysis of race and ethnicity frequently interacts with other ...

SubSaharan African IQ is 70? Wow, this white superiority over the black race is real! I am a subsaharan with an IQ of 102. I graduated from college at 22 with an Engineering degree, just like most of my 82 classmates and now I am easily pursuing a computer science PhD in the US after completing my Engineering Masters degree at 25.

Average IQ by Race, Ethnicity, and Career . . . And Why It

The American Psychological Association's Division 45, the Society for the Psychological Study of Culture, Ethnicity, and Race, is actively soliciting content and materials for its web page devoted to the teaching of the field; e.g., cross-cultural psychology, cultural psychology, ethnic minority psychology, multicultural psychology, etc.

Welcome. Welcome to the Kirwan Institute for the Study of Race & Ethnicity's Implicit Bias Module Series. At the Kirwan Institute at The Ohio State University, we are committed to the creation of a just and inclusive society, where all people and communities have the opportunity to succeed.

Kirwan Institute: Implicit Bias Training Modules

The Kirwan Institute supports equitable policy and capacity building through its Opportunity Communities Model. This research model brings an intersectional analysis to focus areas such as housing, education, jobs, transportation, health, and criminal justice. We are particularly interested in how Structural Racialization and Race in Cognition create and sustain barriers to opportunity.

The Ethnicity and Health in America Series is raising awareness about the physiological and psychological impact of racism and discrimination as it relates to stress during Black History Month.

Physiological & Psychological Impact of Racism and

Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...
